National Program of Work:

SkillsUSA members grow as individuals and discover new abilities by setting their own goals, electing officers and planning and carrying out projects within their school chapter. All SkillsUSA activities are learning experiences because they are directed by students. Each chapter can focus on the specific needs of their campus and community. The six areas that make up the SkillsUSA Program of Work are:

- Advocacy & Marketing
- Leadership Development
- Community Engagement
- Partner & Alumni Engagement
- Financial Management
- Workplace Experiences

SkillsUSA Mission:

To empower our members to become world-class workers, leaders, and responsible American citizens.
