

## Digital Cinema Production

Here are the rules and guidelines for the competition

1. Eligibility: Participants must have access to digital cameras and editing software. And a computer.
2. Theme: The theme of the competition is "Change." Participants are free to interpret the theme in any way they choose. But must have a scene where a person on film says **This is how we change.**
3. Length: The film must be no longer than 8 minutes, including opening and closing credits.
4. Format: The film must be submitted in digital format (e.g. .mp4 or .mov) with a resolution of 1080p or higher.
5. Originality: The film must be original and made on the day of the competition.
6. Music and Copyright: Any music used in the film must be original, royalty-free, or properly licensed. Any copyright infringement will result in disqualification. ( you will have to submit authorization to use the sound(s)
7. Submission: Films must be submitted on a thumb drive.
8. Deadline: You have 8 hours to complete this film.

### Judging Criteria:

10% Adherence to the theme
10% Use of text
10% Use of Transitions
10% Formatting of final film
10% Creativity
10% Storytelling
10% Technical skill
10% Sound
10% Editing
10% Cinematography

We can't wait to see the creativity and talent that young filmmakers have to offer.

Good luck to all participants!
